

## RE-ELECT JEAN LAMBERT

### Vote Green in the European elections 22 May

#### **We will transform our economy to put people first.**

- Make big businesses pay their taxes and pay workers decent wages
- Invest in job creation, giving young people a future
- Make banks work for the community and support small businesses
- End fossil fuel subsidies, invest in renewable energy
- Stand up to corporate green and resist damaging trade deals

---

---

#### **We will promote equality and protect your rights.**

- Promote equality, tackle hatred..
- Tackle poverty and reduce inequality
- Protect public services, defend the NHS
- Provide care for those that need it and for those who provide it

---

---

#### **We will protect our environment and animals.**

- Clean up our dirty air and protect nature
- Act against climate change, protect against floods
- End the waste of energy and valuable resources
- Provide good food we can trust and afford
- Defend animals from cruelty and exploitation

**VOTE GREEN PARTY.** Your vote counts! It's a proportional voting system for the European Elections so every vote can make a difference on 22 May.

**Jean Lambert says, "I am proud to be a London MEP – to represent this diverse and vibrant city.**

**"I am also proud to be a Green MEP because Greens make a difference. Whether that is capping bankers' bonuses, winning changes in the Common Fisheries Policy or bringing in the Youth Guarantee to help support young people seek work, Greens work across borders for the common good."**

Jean lives in East London and was a teacher before being elected to the European Parliament.

#### **Greens want a different Europe – a Europe that:**

- Protects its people and stands up to vested interests
- Leads the world on tackling climate change
- Champions human rights, promotes fair trade
- Values people for who they are, wherever they are from.

**Green Party**  
for the common good

Promoted by Laura Davenport on behalf of London Region Green Party European election candidate list both at 56-64 Leonard St, London. EC2A 4LT.
